TestDock alignment & scale test page

Paper: US Letter (8.5 × 11 in) · print at 100% / actual size

RULERS (MM): HORIZONTAL AND VERTICAL

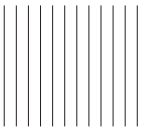

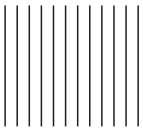

Circles 10–40 mm radius, 80 mm square

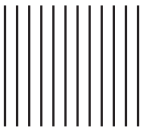

PRINT-HEAD ALIGNMENT: LINES SHOULD BE SINGLE AND STRAIGHT

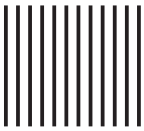

0.1 mm

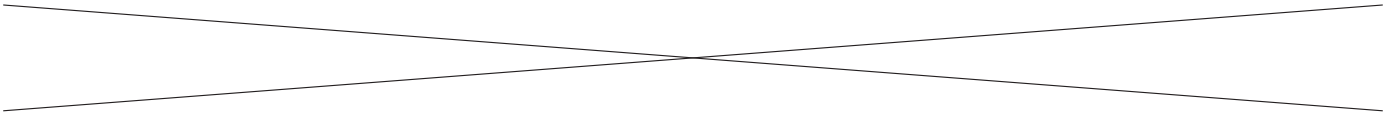

0.2 mm

0.3 mm

0.5 mm

Diagonals: lines should be straight, without steps

CHECK ON THE PRINTED SHEET

- ☐ Rulers measure true millimetres on both axes
- ☐ Circles are round and the square has equal sides
- ☐ Vertical lines are single, not doubled or jagged
- ☐ The frame and all four corner marks are complete

Original pattern. If lines are doubled, run your printer's own print-head alignment.
