Teste de alinhamento e escala TestDock

Papel: US Letter (8.5 × 11 in) · imprima em 100% / tamanho real

RÉGUAS (MM): HORIZONTAL E VERTICAL

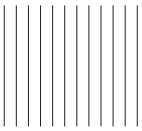

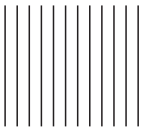

Círculos de raio 10-40 mm, quadrado de 80 mm

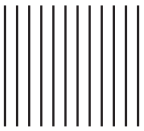

ALINHAMENTO DO CABEÇOTE: LINHAS SIMPLES E RETAS

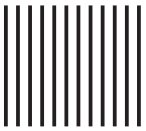

0.1 mm

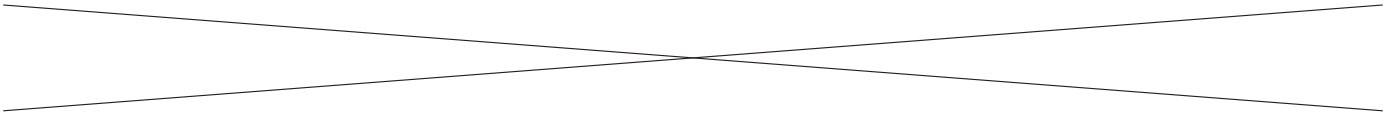

0.2 mm

0.3 mm

0.5 mm

Diagonais: linhas retas, sem degraus

CONFIRA NA FOLHA IMPRESSA

- ☐ As réguas medem milímetros reais nos dois eixos
- ☐ Os círculos são redondos e o quadrado tem lados iguais
- ☐ As linhas verticais são simples, sem duplas nem serrilhado
- ☐ A moldura e as quatro marcas de canto estão completas

Padrão original. Com linhas duplas, rode o alinhamento do cabeçote da impressora.
